Our services ensure comfortable accommodation, meals which are flavoursome and nutritious, varying activities and person centred care. All bedrooms are spacious and well equipped and have been designed to make sure our residents feel at home. Residents are encouraged to choose their own décor and personal items for their room to promote an atmosphere of familiarity, individuality and to give it that homely feel. We are proud to offer residents a hair salon, physiotherapy facilities and a relaxing garden area.

About us

Winterfell is located in the heart of Nottingham in a quiet residential area off Sherwood Rise. We provide a safe and friendly environment for all to enjoy. We are community focused with regular visits from pupils of neighbouring schools to join our residents in daily activities. The Home is easily accessible by car with on-site car parking and nearby we have both local shops and supermarkets.

Should our residents want to venture further than the local area, the Nottingham city centre is within close proximity. Residents can make full use of nearby public transportation which is a short 2 minute walk from the home. We strive to encourage independence and our surrounding amenities enable us to support this easily.
